Total Sleeps:	-	Crew Sleeps:	-
Total Heads:	-	Crew Heads:	-
Captains Cabin:	-		

DESCRIPTIONS

Manufacturer Provided Description

With fishing standards like a 36-gallon circulating livewell, 75-gallon in-floor fish box, 8 rod holders, and twin tackle lockers, it's no surprise that Everglades' 243cc has been a fisherman favorite since its introduction. The fiberglass hardtop incorporates overhead life jacket storage, blue and white LED lights, spreader lights and built-in speakers.

The ergonomically designed console features Everglades' patented sliding windshield and a combination helm seat/leaning post with integrated folding footrest. An optional 2nd station expands your fishing options with a sliding fiberglass, 3-position sun roof/helm seat. The patented design includes trim tab indicators, space for electronics, and a stereo remote control with 4 mini speakers. Expand your fishing capabilities even further with options like a Power Pole®, trolling motor, or outriggers. The 243cc is a true fisherman's boat, with the understated luxury that makes it uniquely Everglades.
