## OVERVIEW

### **UPDATE: Fresh hull wax and detail 3/18!**

If you have been looking for a loaded, freshwater, covered slip-kept Sundancer, then look no further than the Island Hopper. She sports a custom full camper canvas, bow AND stern thruster, Flexiteak in the cockpit and swim platform (a \$9000 option), upgraded Mercruiser 8.1 Horizon engines with low hours, AC/Heat/, generator, the works. She's always been kept on Lake Martin in North Alabama and comes with a transferable covered slip. Don't settle for a saltwater boat that has been exposed to corrosion and less resale value.
