DESCRIPTIONS

Manufacturer Provided Description

The 276 Signature is the sporty cruiser cousin to the 280 Signature, with the perfect combination of cruiser creature comforts and sportboat styling. Family friendly and entertainment ready describes the 276 cockpit, which features a dual helm seat that spins 180 degrees for additional dinette/conversation seating, port side chaise lounge, and a convenient cockpit galley. The transom bench seat quickly converts to an oversized sun platform that allows access

to more storage space than ever expected in a cruiser cockpit. In the cabin you'll find new light maple cabinetry accented by the galley stainless appliances and hardware. Feel the difference in the French-stitched tailored upholstery of the convertible Vberth/dinette, appreciate the spacious cabin head with solid surface counter and the unexpected aft cabin sleeping area.**Disclaimer**
